Payment, Weather, and Cancellation Policies

Payment: All payments must be made before any days of camp are attended (after June 15th). Players will be considered signed up only when this form has been filled out and camp weeks have been paid for. *Kids who sign up for full weeks will get preference on admittance over kids who sign up for an individual day in a week*

Payments can be made by calling or going to the front desk of McLean Racquet and Health club on or after June 15th. They can also be made by cash or check on the first day your child attends camp

Cancellation DUE TO COVID-19: In the event that you sign up for camps and we are unable to hold camps due to reasons related to the pandemic, every sign-up will receive a full refund. Furthermore, if we decide to hold camps, however due to reasons related to the pandemic you no longer feel comfortable sending your kid to camp even though we have decided to hold camp, then you will receive a full refund as well. COVID-19 related concerns must be the reason for canceling in order for an individual to receive a refund.

Cancellations (all other reasons): Players must cancel their attendance for any days/weeks AT LEAST one week prior to the start of the camp week in order to be eligible for a makeup. Refunds will only be offered in the event of injury.

Weather-related Refunds and Makeups: In the event of rain, thunder, or lightning, camp will be moved into McLean High School for coordination, movement, and stroke drills until the courts are dry enough to play safely. If courts are not going to dry enough for safe play, then camp will be canceled for the rest of the day.

- If the courts are too wet at the start of the day, or if the weather forecast shows a very high chance of inclement weather, then camp will be canceled ahead of time.
- If a rain out happens between 9am and 11AM, 1/2 of the camp cost will be refunded.
- If a rain out happens between 11am and 1pm, the full price of the camp will be charged.
