AIM HIGH SANITIZER

ALCOHOL BASED HAND SANITIZER

**We want you to know -
our hand sanitizer is
effective at killing
bacteria and viruses,
and is SAFE for you.**

**Aim High Sanitizer
meets all appropriate
guidelines for use and is
produced in accordance
with FDA and CDC
guidelines**

Fall Church Distillers, LLC is proudly packaging **Aim High Hand Sanitizer** for consumer & commercial use - not for human consumption, a plant-based alcohol hand sanitizing product that kills bacteria & viruses on contact with no rinse. 70% ABV.

Keeping Our Club Clean And Safe!

Sanitizing Stations can be found in multiple locations throughout the club. Antibacterial spray, cloths, and hand sanitizer* are available for member use in addition to the protocols being followed by our 'round the clock cleaning staff, department managers, and the air purifying effects of the Needlepoint BiPolar Ionization HVAC system, which kills 99.4% of pathogens.

It has been a pleasure welcoming you back to your club and watching everyone enjoy their fitness and wellness routines.

Your safety is our top priority!

#We'reinthisogether

**Members may also bring their own hand sanitizer for personal use while in the club.*
