Interested in Personal Training?

Here is some more information to help you decide!

McLean Racquet and Health Club emphasizes the mission of the Fitness Department to offer diverse fitness programs, services and the expertise of staff as health promotion professionals to enable members to achieve and implement their unique health and fitness goals. Our Personal Trainers are nationally credentialed and licensed.

Top Ten Benefits of Having a Personal Trainer!

1. Exercise helps us to look and feel great, avoid injury as well as prevent chronic diseases such as diabetes, high blood pressure and heart disease
2. Exercise is a great compliment to traditional medical care
3. Provides accountability and motivation
4. Provides non judgmental support
5. Provides science based instruction / guidance
6. Will help you focus on individual goals and health concerns
7. Workout and exercise efficiency
8. Injury prevention
9. The best buddy system you can have in reaching your goals
10. Even personal trainers prefer to workout with other personal trainers
