CASEY & KRISTINA'S TENNIS PROGRAM

STARTING

SEPTEMBER 15

For over 20 years, our goal has been to make each class we teach an enjoyable and rewarding experience for your child. In our program, your children will:

- Improve their tennis skills and have a great deal of fun in the process;
- Make lasting friendships with other students
- Learn good sportsmanship
- Improve focus and concentration
- Increase self-esteem and confidence

We also offer opportunities for older children to mentor younger ones in other classes. It's a great way for kids to develop leadership skills and become role models for other children.
